On September, 1963, Arthur Burgess was elected president by the student body. Other officers were elected by the Student Council members.

On November 15 and 16, several members of the Student Council attended the Maine Student Council Convention which was held at Lawrence High School, Fairfield. The theme of this year's convention was "The Written Laws of Society - A Responsibility and a Privilege."

The Student Council has undertaken numerous projects to raise money for school needs. Our main goal this year has been to raise money for an athletic field. We realize that we cannot do this alone and hope to arouse public interest in the project.

Student Council Representative - LINDA COLLINS

This year our club has chosen to sell book covers to raise money.

As a major project we are cleaning out the library closet. The magazines are all sorted and materials that may have future interest are going to be indexed.

A minor, but very important project is keeping the trophy case clean.

New members from the senior class are Cheryl Hawes, Patricia Wallace, John Hubbard, Jean Cramer, Richard Payson, and Judith Beverage.

Last May our National Honor played host to the State National Honor Society. This was customary as Walter Heathcote was the State President.

In December we presented a Christmas Assembly. Mr. Woodman led the singing of various Christmas songs. Lou "Santa Claus" Thurston distributed gag gifts to several students and all of the lucky teachers. Everyone had a good time.

Thespain Troupe 1508 has been very active this year under the direction of our new advisor, Mr. Sherman.

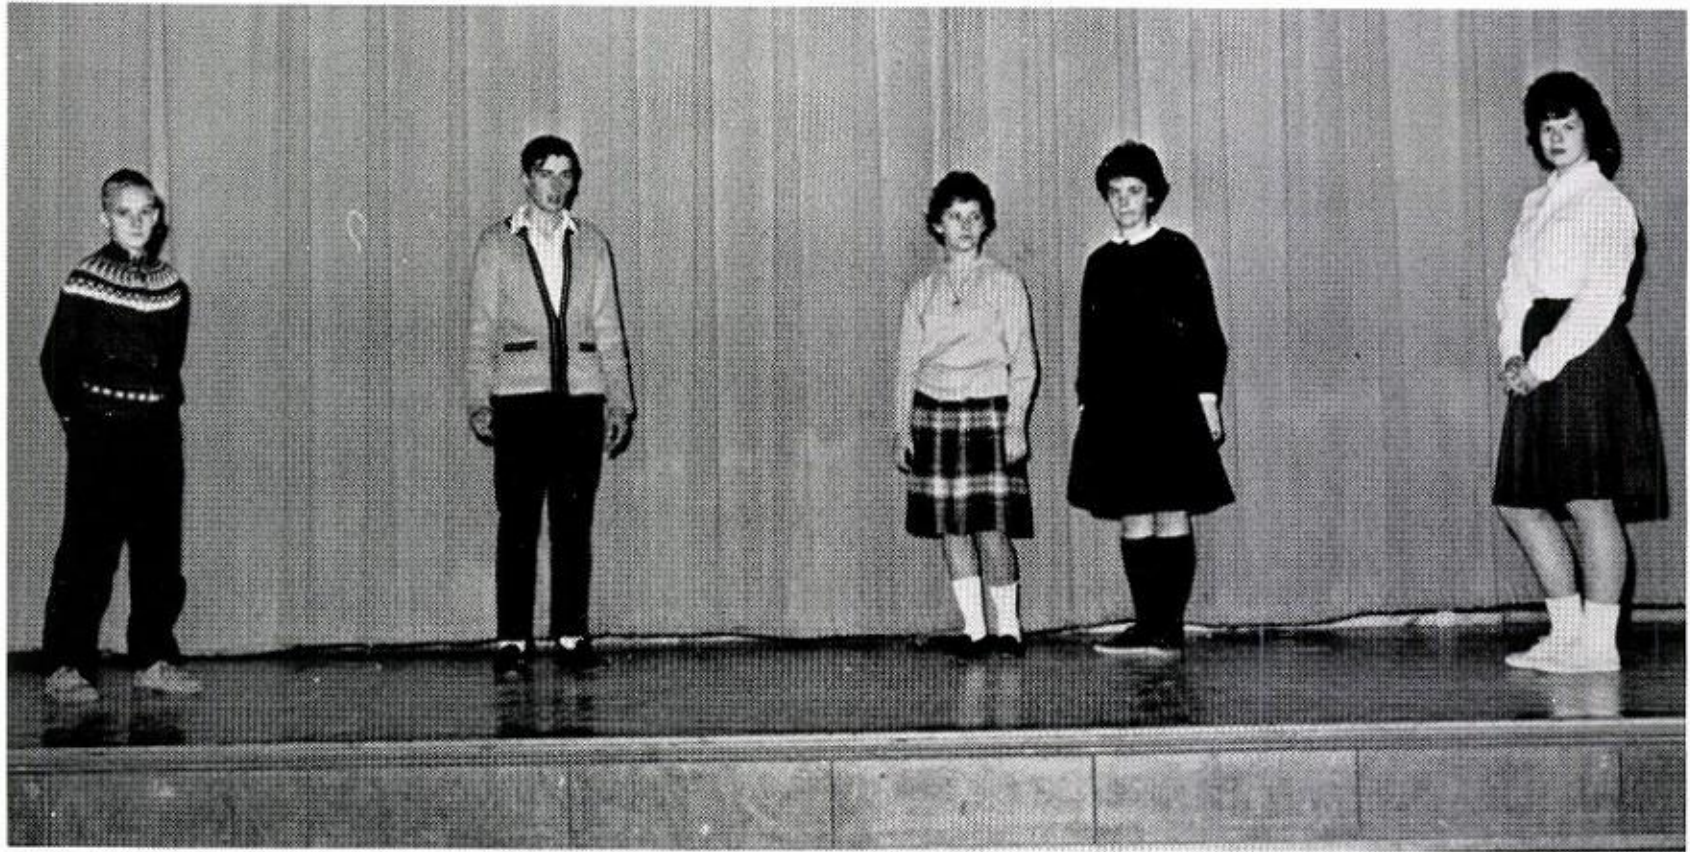

The Troupe presented the four one-act plays on the night of October 25. They were directed by the four members with the highest number of points, Anthony Taylor, Linda Turffs, Bonnie Rich, and Arthur Burgess.

Instead of the customary three-act play, the Troupe presented two one-act plays, "The Glass Menagerie" and "The Case of the Crushed Petunias," on February 20 and 21.

On March 13, we entered the Regional One-Act Play Contest with a play entitled "Riders to the Sea." April 9 and 10, the annual musical program, written and directed by Thespians Cheryl Hawes and Linda Collins, was presented.

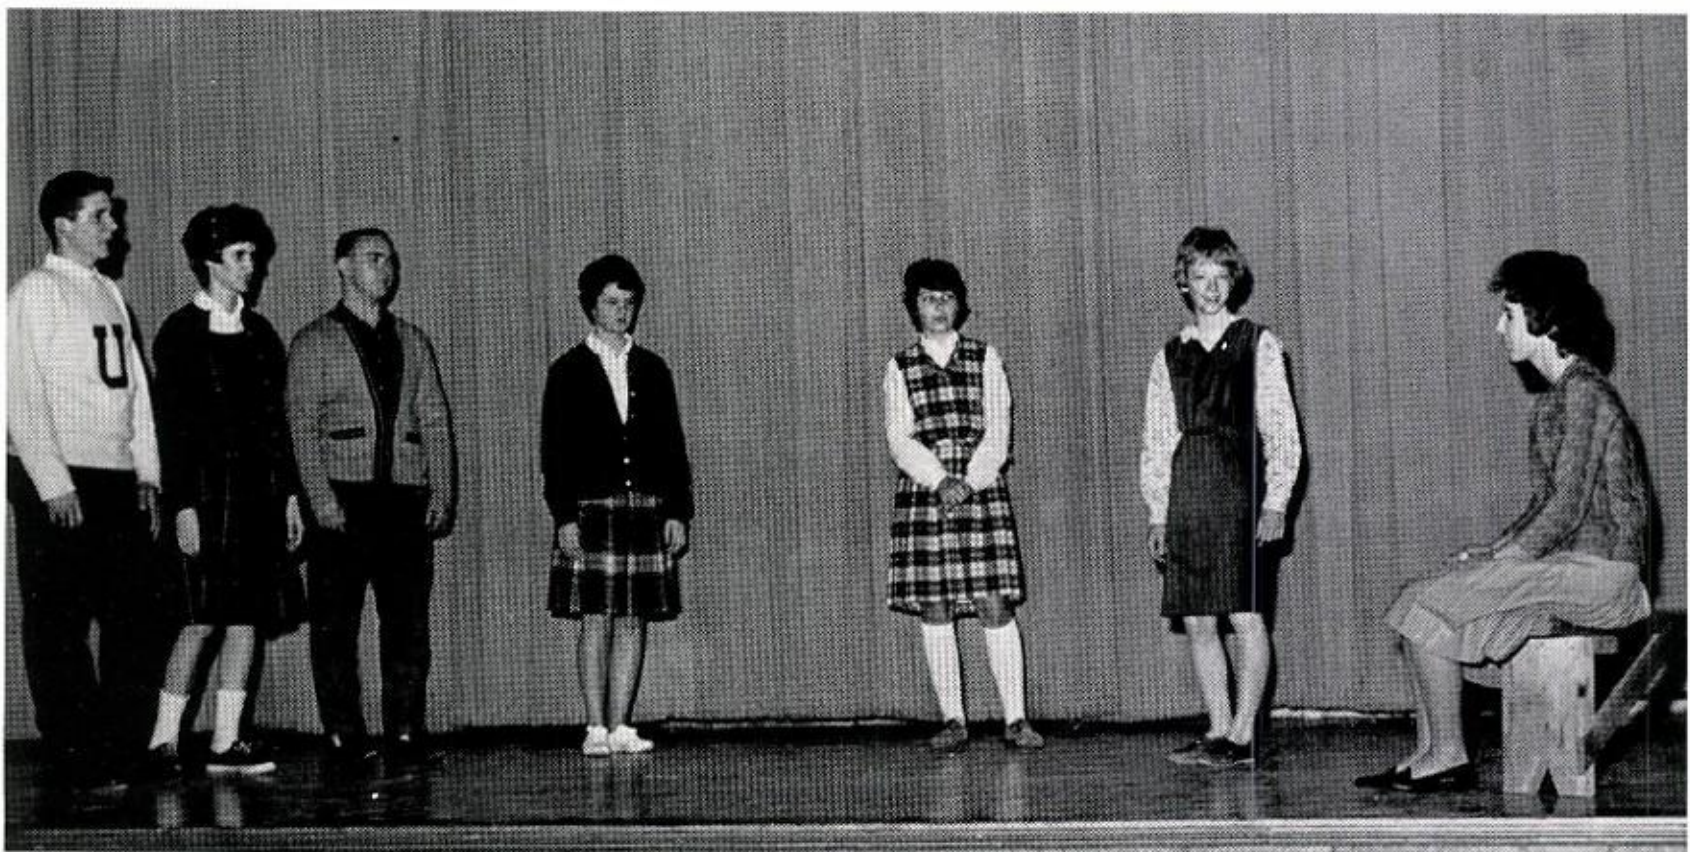

The Troupe concluded its activities for the year with the initiation of new members, election of officers, and the presentation of awards.

On October 2, 1963, the Harland A. Ladd Future Teachers of America Club held its first meeting of the school year.

On November 6, 1963, we had the installation of officers and new members. Mr. Sherman installed the officers. Other teachers and students took part.

As a special Christmas project, we filled two baskets with many different foods. These were distributed to the worthy families in town to help them have a Merry Christmas.

In January of 1964, the club members began observation work in the elementary grades by assisting the teachers in correcting papers and conducting classes. They helped the students and teachers in any way they could.

On March 28, our group attended the F.T.A. State Convention at Rockland High School. This was enjoyed very much by everyone.

We want to thank Miss Hughes, our advisor, for the many valuable suggestions that she has offered us this year. All of the members feel that they have profited greatly by being in this club.

The Library Club has made considerable progress during the past year. The Class of 1961 donated money for construction of a library table, which was built by the members of the Industrial Arts Course in the shop. We have increased our treasury by selling books, collecting fines, and sponsoring record hops.

Two members of the Library Club act as librarians each period; assisting students in finding reference materials, cataloging new books, keeping records of books that are borrowed, and keeping the library quiet, orderly, and neat.

The Union High School Radio Club was reorganized on October 9, 1963. At this meeting, officers were elected and Mr. Fogleman was appointed as advisor with Anthony Taylor as chief assistant.

Programs were prepared and presented throughout the entire winter season each Tuesday at 4 P.M. over WRKD in Rockland.

On these programs various subjects were discussed. A few important topics were school problems, class trips, and facts about the State of Maine.

Our advisor took us on a trip in March to Bangor to visit the radio and television stations. It was a very worth-while trip.

The Radio Club wishes to express its sincere appreciation to WRKD for the opportunity they gave us to use their facilities and studios.

Members of the Radio Club this year are: Z. Hawes, J. Kennedy, C. Kattenhorn, R. Bennett, C. Moody, C. Athearn, S. Peckham, P. McAllister, K. Cramer, D. Taylor, G. Bartlett, J. Hubbard, K. Creamer, D. Moody, A. Taylor, and R. Hawes.

Carroll, A. Carroll, C. Hardie, M. Blake, Z. Hawes, E. Leach.

The eighth year of the Union School Band has found us with no full-time band director, but Mr. Garniss is doing an excellent job with the time he has. The conditions this year are trying, but we are all making the best of the situation.

Although this is not our most active year, we have had some activities. On December 3, we had the pleasure of playing a joint concert, here, with the Waterville Wind Ensemble. On March 20, we played another joint concert, this time with the Georges Valley High School Band.

Later in the season, we had our annual Band Dance. This is a project that requires planning and work, but we all enjoy it and have a good time. It is becoming an anticipated part of our activities.

The Band will take part in the Central Maine Music Festival in Belfast this year.

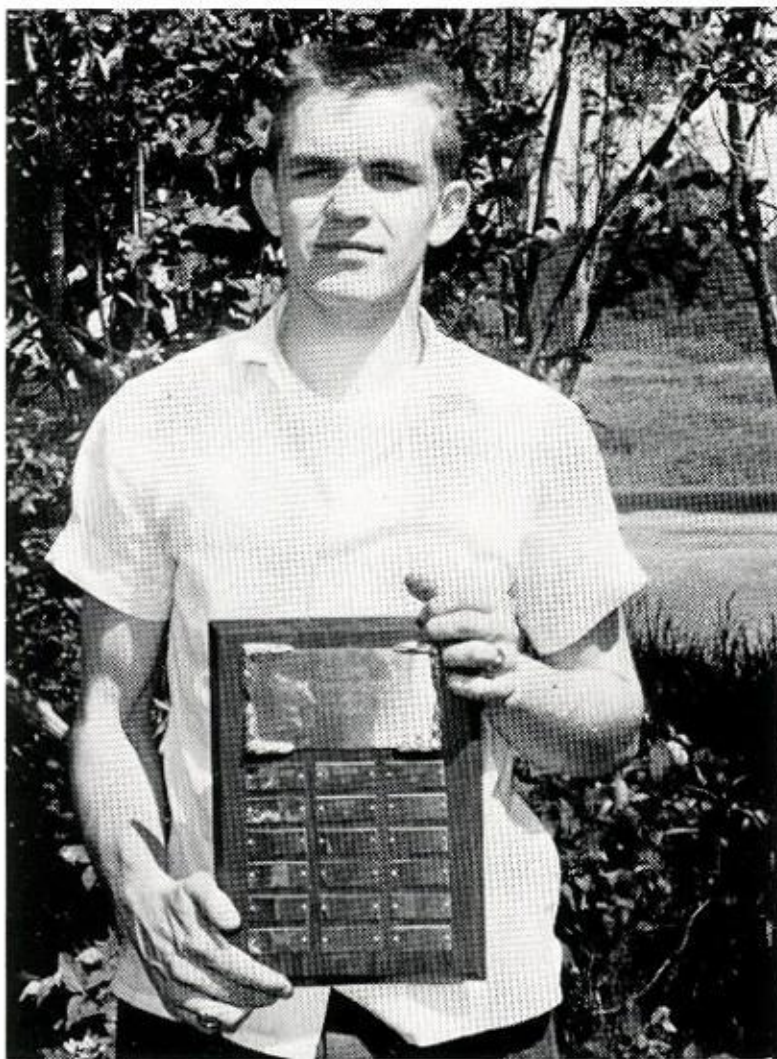

The Band will lose many members this year by graduation, but we already have new members starting to play so they can step up and fill the missing chairs.

The Band Committee this year is; Linda Collins, Arthur Burgess, Hank Aho, and Mary Hardie. Other officers are; Carol Hardie - Scrap Book, Dot Eckert - Secretary, and Mary Hardie - Treasurer.

TEENAGE ROAD-E-O

P. King, W. Cunningham, J. Howard, R. Linwood.

In May, 1963, the annual Knox-Lincoln Teenage Road - e - o was held. For the seventh consecutive year, Union High School was victorious. James A. Howard won honor for himself and his school by receiving the highest score in both a written examination and road test.
